

Soldiers Hill Artists Presents 2016 Picture This Exhibition

By Fiona Watson

THE Soldiers Hill Artist Collective (SHAC) is a diverse group of beginning, emerging and established artists who all live within the boundary of Soldiers Hill, Ballarat. Members of SHAC, professional artists and academics from university, share a common interest in art and established the collective last year to create partnerships, strong friendships and to forge a community spirit. Following on from SHAC's successful Art Walk during Ballarat's Heritage Weekend in May, SHAC is presenting a new exhibition at Fairbanks Eye Gallery, opening on November 12. The exhibition *Picture This* gives SHAC artists the opportunity to interpret this theme in their own, individual manner through the disci-

plines of painting, ceramics, photography, typography, printmaking, sculpture and weaving, all of which will be showcased at the exhibition, which runs from November 12 – December 10.

The exhibition also demonstrates what can be achieved when a community comes together with shared aims and unique talents.
